

Ecology data: Klöber Orbit Network conference - swivel chair

Design: Eckhard Hansen, Gerhard Reichert

Ecological characteristics

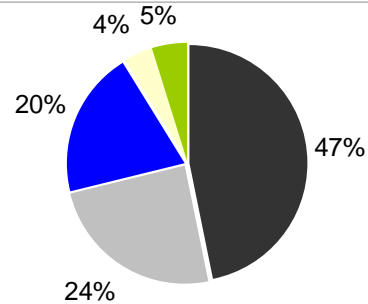

Cover materials not glued
 CFC-free foam
 Use of low emission materials
 PAH-free (polycyclical aromatic hydrocarbons)
 Use of certified covering materials:
 Second nature Recycled (Malta)
 Öko-Tex Standard 100 (Fame: No. 1076-17401 DTI
 Denmark, Milano No. 072150.0 Centrocot)
 EU Eco-label „The Flower“ (Fame)

Service

Long life
 5 years warranty
 10 years supply of spare parts
 Service friendly exchange of parts
 Easy assembly
 World wide after sales service

Weight: 12 kg

Materials

■ steel ■ aluminium ■ synthetics
 ■ foam ■ cover

Percentage of recycling

material	recycled
steel	ca. 25%
synthetics	ca. 10%

Recyclates in raw materials (average): **ca. 39 %**

Recyclable materials: **97-99 %**
